

Paritosh Pandey, MCh Neurosurgery (AIIMS)

General achievements:

After graduating in Neurosurgery from AIIMS New Delhi, I joined NIMHANS Bangalore as Assistant Professor in Neurosurgery. I have also been a Fellow, Cerebrovascular and Skull Base Surgery, Stanford CA; and Fellow, Endovascular Neurosurgery, Wayne State University, Detroit, MI. After staying as a faculty at NIMHANS for 10 years and becoming Additional Professor of Neurosurgery, I joined Manipal Hospital Bangalore as Senior Consultant. I am also Adjunct Professor, KMC Manipal. I served as EC member of NSI from 2014-2017, and served as the coordinator for Young Neurosurgeons Forum. I also served as Associate Editor of Neurology India. I was the Editor of the journal of Cerebrovascular Sciences, the official journal of CVSI and STNI. Currently, I am the Secretary of the Cerebrovascular Society of India.

Awards and recognition:

Awarded Fellowship in Endovascular Neurosurgery from Wayne State University, Detroit, MI, USA

Awarded Fellowship in Cerebrovascular and Skull Base surgery from Stanford University, Stanford, CA, USA

Awarded best paper at Indian Society of Pediatric Neurosurgery conference, Udaipur, 2013

Awarded SNIS (Society for NeuroInterventional Surgery) fellowship at SNIS conference, Carlsbad, CA

Organizing Secretary, NEUROVASCON 2014

Ex-editor, Journal of cerebrovascular Sciences

Associate Editor, Neurology India (2015-2018)

Secretary, Cerebrovascular Society of India

EC Member NSI (2015-2018)

Chairman Board of Education (2021-2024)

Contribution to NSI

I have been a Life member of NSI for the last 15 years, and have been regularly attending NSI annual conference. I was in the Organizing committee of NEUROCON 2011, and the in-charge, scientific committee in the same.

I was in the AASAN committee in the organization of CNS-NSI conference in New Orleans, USA.

I served as EC member of NSI from 2014-2017, and served as the coordinator for Young Neurosurgeons Forum. I also served as Associate Editor of Neurology India. I was the convener of symposium for NEUROCON 2014, and the topic for the same is 'Surgery for ischemic Cerebrovascular diseases'. I was the convener of the symposium in Neurocon 2017 in Nagpur. I have been part of many operative workshops teaching microvascular anastomosis and Endovascular Neurosurgery to the residents.

From Dec 2021 to December 2024, I served as Chairman of the Board of Education, Neurological Society of India. In this role, I, with the support of President and Secretary NSI, expanded the role of BOE. We organized many hand-on workshops over the last 3 years in all parts of the country. On an average, BOE-NSI organized

5-6 Microvascular Anastomosis workshops, two endovascular and endoscopy workshops, and 2 spine workshops. We also organized Neuro-Critical care workshops. In addition to this, we organized Instructional and Foundational courses. Three Superspecialty CMEs were held in these three years, the topics being Minimally Invasive Spine, Endovascular, and Radiosurgery and pain. The e-book of the first CME is out, while the rest of the e books will be out soon. We also published 6 CPINS every year, and compiled the first 6 into an e-book. We also coordinated with Vardiology Society of India to bring out the Consensus Statement on the Use of Antithrombotic and Anti-platelets in Neurosurgical Patients, which will soon be available as an e-book.

Contribution to Neurosciences

I have published more than 70 papers in peer-reviewed journals, mostly in the subject of cerebrovascular and endovascular neurosurgery. Many of my publications are in renowned journals like Neurosurgery and Journal of Neurosurgery. I am one of the only fellowship-trained neurosurgeon both in endovascular and cerebrovascular surgery. I was a co-investigator in the Center of Excellence project between NIMHANS, IISc and JNCASR Bangalore. I am the website manager of Cerebrovascular Society of India, and invited speaker in many conferences and operative workshops. I was the organizing Secretary of NEUROVASCON 2014 in September 2014. I served as EC member of NSI from 2014-2017, and served as the coordinator for Young Neurosurgeons Forum. I also served as Associate Editor of Neurology India. I am the Editor of the journal of Cerebrovascular Sciences, the official journal of CVSI and STNI.
